DAAD – Deutscher Akademischer Austauschdienst

Structured DAAD programs		
Lecture tours and conference attendance	<i>Kongress-und Vortragsreiseprogramm</i>	<ul style="list-style-type: none"> - for UHH academics - travel and accommodation allowances
Guest lecturer program	<i>Gastdozentenprogramm</i>	<ul style="list-style-type: none"> - application made by UHH academics - LU academics can be invited for a lecture period between 3 and 12 months - 10 % of the funding is covered by the UHH Department of International Affairs https://www.daad.de/de/infos-services-fuer-hochschulen/weiterfuehrende-infos-zu-daad-foerderprogrammen/gastdozentenprogramm/
Internationalization of courses	<i>Integrated international Degree Programmes with double degrees</i>	<ul style="list-style-type: none"> - leads to a joint or a double degree - at least one year stay at the partner university for bachelor's degree programs or at least one semester of studies abroad for master's degree programs https://www.daad.de/en/information-services-for-higher-education-institutions/further-information-on-daad-programmes/integrated-international-degree-programmes-with-double-degrees/
	<i>(ISAP) International Study and Training Partnerships</i>	<ul style="list-style-type: none"> - groups of highly qualified German and international students can complete a fully recognized part of their degree program at a partner university - agreement of credit transfer rules, joint curriculum development or the preparation of double degrees - ISAP should be applied in principle in the longer term https://www.daad.de/en/information-services-for-higher-education-institutions/further-information-on-daad-programmes/isap/
PhD in Germany	<i>Graduate School Scholarship Program (GSSP)</i>	<ul style="list-style-type: none"> - funding of up to four four-year scholarships, in the case of doctoral students from developing and emerging countries at universities in Germany https://www.daad.de/de/infos-services-fuer-hochschulen/weiterfuehrende-infos-zu-daad-foerderprogrammen/gssp/

FUNDING POSSIBILITIES / SWEDEN - GERMANY / March 2021

Postdoc in Germany	<i>“Postdoctoral Researchers International Mobility Experience“ (P.R.I.M.E.)</i>	<ul style="list-style-type: none"> - all nationalities - funding of 18 months, of which the first 12 months should be spent abroad (period abroad) and the remaining six months at a HEI in Germany (integration phase). - employment at the selected German host university for the whole funding period. <p>https://www.daad.de/de/studieren-und-forschen-in-deutschland/stipendien-finden/postdoctoral-researchers-international-mobility-experience/</p>
Summer Schools	<i>Summerschools abroad</i>	<ul style="list-style-type: none"> - Enhanced positioning of individual German universities in the international education market - recruitment of highly qualified foreign students and doctoral candidates - institutions eligible to apply: German universities; German research institutions together with a German university coordinating the application <p>https://www.daad.de/de/infos-services-fuer-hochschulen/weiterfuehrende-infos-zu-daad-foerderprogrammen/sommerschulen-im-ausland/</p>
	<i>Summerschools in Germany</i>	<ul style="list-style-type: none"> - foreign students and doctoral candidates - professional training in current research and professional and cultural exchange between foreign and German participants - institutions eligible to apply: German universities; German research institutions together with a German university coordinating the application <p>https://www.daad.de/de/infos-services-fuer-hochschulen/weiterfuehrende-infos-zu-daad-foerderprogrammen/sommerschulen-in-deutschland/</p>
All DAAD programs		https://www.daad.de/hochschulen/ausschreibungen/projekte/de/11342-foerderprogramme-finden/
Individual DAAD scholarship possibilities		
Scholarships provided by DAAD Mobility Incoming and Outgoing	<i>Bilateral Exchange of Academics</i>	<ul style="list-style-type: none"> - to carry out joint research projects or to complete research stays at UHH or LU for a duration of two weeks up to three months - postdoctoral academics and scientists from abroad and Germany working at universities or university related research institutes
Scholarships provided by DAAD - Incoming	<i>Research Stays for University Academics and Scientists</i>	<ul style="list-style-type: none"> - to carry out a research project at a university or non-university research institute in Germany for the duration of one to three months - University teachers and established academics and scientists who have usually completed a doctoral degree and work at a university or research institute in their home country.
	<i>Research Grants – Short-Term Grants</i>	<ul style="list-style-type: none"> - to carry out a research project in Germany

FUNDING POSSIBILITIES / SWEDEN - GERMANY / March 2021

		<ul style="list-style-type: none"> - doctoral candidates and young academics and scientists who have completed a Master's degree or Diplom, or in exceptional cases a Bachelor's degree at the latest by the time they begin their grant-supported research, or those who have already completed a PhD (postdocs) - living expenses, health insurance, travel lump sum - between one to six months
	<i>Research Grants – One-Year Grants for Doctoral Candidates</i>	<ul style="list-style-type: none"> - to study or carry out a research in Germany - doctoral candidates and young academics and scientists who have completed a Master's degree or Diplom, or in exceptional cases a Bachelor's degree at the latest by the time they begin their grant-supported research - living expenses, health insurance, travel lump sum and subsidiary allowances - length of grant: 7 months to usually 12 months; the length of the grant is decided by a selection committee and depends on the project in question and the applicant's work schedule
Scholarships provided by DAAD - Outgoing	<i>Research Scholarship for Doctoral Candidates</i>	<ul style="list-style-type: none"> - doctoral candidates from German Universities - living expenses, health insurance, travel lump sum, research allowance - grant for one to twelve months
	<i>Scholarships for German Students (Jahresstipendien für Studienaufenthalte im Ausland)</i>	<ul style="list-style-type: none"> - students (BA or MA) - living expenses, health insurance, travel lump sum - grant for one academic year
	<i>Research Scholarship for Postdocs (Short-term)</i>	<ul style="list-style-type: none"> - early career researchers who have finished their PhD - living expenses, travel lump sum, research allowance - grant for three to six months
All DAAD scholarships		Incoming: Scholarship-Database Outgoing: https://www.daad.de/ausland/studieren/stipendium/de/70-stipendien-finden-und-bewerben/

AvH-Alexander von Humboldt-Foundation

	LU academics	UHH academics
Postdoctoral researchers	Humboldt Research Fellowship <ul style="list-style-type: none"> - worldwide, all disciplines, no quotas, apply directly at any time - long-term research (6-24 months) in Germany 	Feodor Lynen Research Fellowship <ul style="list-style-type: none"> - long-term research (6 to 24 months) abroad - all disciplines, apply directly at any time

FUNDING POSSIBILITIES / SWEDEN - GERMANY / March 2021

(up to 4 years after completion of doctorate)	https://www.humboldt-foundation.de/en/apply/sponsorship-programmes/humboldt-research-fellowship	https://www.humboldt-foundation.de/web/lynen-fellowship.html
Experienced researchers (up to 12 years after completion of doctorate)	Humboldt Research Fellowship - 6 to 18 months, may be divided up into 3 stays, - worldwide, all disciplines, no quotas, apply directly at any time https://www.humboldt-foundation.de/en/apply/sponsorship-programmes/humboldt-research-fellowship	Feodor Lynen Research Fellowship - long-term research (6 to 18 months) abroad - all disciplines, directly at any time https://www.humboldt-foundation.de/web/lynen-fellowship.html
Several AvH awards	https://www.humboldt-foundation.de/web/programmes.html	

Nordforsk

https://www.nordforsk.org/en/funding	LU academics - participants from at least three of the Nordic countries (Denmark, Finland, Iceland, Norway and Sweden) or autonomous areas (the Faroe Islands, Greenland and the Aaland Islands) - additional project participants from outside the Nordic region

Erasmus+

FUNDING POSSIBILITIES / SWEDEN - GERMANY / March 2021

<p>Key action 1: KA1 - Learning Mobility of Individuals</p>	<p><i>Student Mobility</i></p> <p><i>Staff Mobility</i></p>	<ul style="list-style-type: none"> - student mobility for studies (2-12 months) – a study period abroad at a partner higher education institution (HEI) - student mobility for traineeships (2-12 months) – work placement in an enterprise or any other relevant workplace - mobility for studies and/or traineeships for doctoral candidates (5-30 days or 2-12 months) - teaching periods for HEI teaching staff (2 days – 2 months) - training periods for non-teaching and teaching staff (2 days – 2 months)
<p>Key action 2: Cooperation among Organizations and Institutions</p>	<p><i>Partnerships for Cooperation: Cooperation Partnerships</i></p>	<ul style="list-style-type: none"> - Quality improvement for work, activities and use of organizations and institutions - Common needs and priorities in the field of education, training, youth and sport - Enabling change and transformation - Capacity building in organizations - application by an organization established in a Program Country - consortia of at least 3 organizations from 3 different Program Countries - Activities can be funded in countries involved in the project - duration between 12 and 36 months - application are submitted to the National Agency in the applicant's country
	<p><i>Partnerships for Cooperation: Capacity Building for Higher Education</i></p>	<ul style="list-style-type: none"> - application possible in spring 2022 - call published in autumn 2021 - transnational cooperation projects, based on multilateral partnerships, primarily between higher education institutions from Program and eligible Partner Countries - organizations intending to apply must do so as part of a consortium (at least two Program Countries)
	<p><i>Partnerships for Excellence: Erasmus+ Teacher Academies</i></p>	<ul style="list-style-type: none"> - contribute to improvement of teacher education policies and practices in Europe – creating networks and communities of practice on teacher education - develop and test jointly different models of mobility in initial teacher education - at least 3 partners from 3 Program Countries (at least 2 EU member states) → at least 2 nationally recognized providers of initial teacher education from 2 Program Countries → at least 1 nationally recognized provider of continuing professional development for teachers → at least 1 practice/training school - project duration: 3 years

FUNDING POSSIBILITIES / SWEDEN - GERMANY / March 2021

	<p><i>Partnerships for Excellence: Erasmus Mundus Joint Masters</i></p> <p><i>Erasmus Mundus Design Measures</i></p>	<ul style="list-style-type: none"> - transnational study programs at Master level by an international consortium of HEI - at least 3 full partner HEIs from 3 different countries (at least 2 Program Countries) - compulsory physical mobility for enrolled students - project period: 6 academic years - encourage development of new, innovative, high-level integrated study programs at Master level - preparatory measure to apply in the second step for Erasmus Mundus Joint Masters - encourage underrepresented Erasmus+ program countries, institutions and thematic areas to participate in EMJM - project duration: 15 months
	<p><i>Partnerships for Innovation: Alliances for Innovation</i></p>	<ul style="list-style-type: none"> - boost provision of new skills and address skills mismatches by designing and creating new curricula for HE and VET - sectoral and cross-sectoral activities - focus on digital skills and green skills → Alliances for Education and Enterprises – transnational, structured, result-driven projects -> at least 8 partners from at least 4 Program Countries (at least 3 labor market actors, 3 education and training providers, 1 HEI and 1 VET provider) -> project duration: 2-3 years → Alliances for Sectoral Cooperation on Skills – create new strategic approaches and cooperation for concrete skills development solutions -> at least 12 partners from at least 8 Program Countries (at least 5 labor market actors, 5 education and training providers, 1 HEI and 1 VET provider) -> project duration: 4 years
	<p><i>Partnerships for Innovation: Forward Looking Projects</i></p>	<ul style="list-style-type: none"> - Large scale projects that aim to identify, develop and test innovative policy approaches - 24-36 months - more information follows with call for application in 2022

FUNDING POSSIBILITIES / SWEDEN - GERMANY / March 2021

	<i>Jean Monnet Actions</i>	<ul style="list-style-type: none"> - excellent teaching and research on Europe and European integration process - Jean Monnet actions for higher education: “modules”, “chairs”, “centers of excellence” - new: Jean Monnet Teacher Trainings - universities worldwide can apply for this - project period: 3 years
<p>Erasmus+ program guide 2021-2027: https://ec.europa.eu/programmes/erasmus-plus/resources/documents/erasmus-programme-guide-2021_en</p>		

Funding Hamburg Senate

		UHH academics
Hamburg Research Funding – Landesforschungsförderung	<i>International Research Cooperation</i>	<ul style="list-style-type: none"> - preparatory measures for research cooperation in the Baltic sea region - co-funding of projects with a maximum of 25.000 EUR (travelling expenses, Workshops, student assistants) - Length of project: max. 24 months - Deadline of application: ca. beginning of March and beginning of September each year at the Department of International Affairs <p>https://wissenschaft.hamburg.de/landesforschungsfoerderung-hamburg/</p>
Baltic Science Network		<ul style="list-style-type: none"> - initiative of the Hamburg Senate and the Council of the Baltic Sea States - Interreg Baltic Sea Region funded project started in 2016 - creation of a network in higher education, science and research in the BSR - developing of prospective structured mobility tools and joint BSR funding instruments
	<i>BARI</i>	<ul style="list-style-type: none"> - BARI offers summer research internships with appropriate academic training across the Baltic Sea Region to students with interest in Life Sciences, Photon & Neutron Science and Welfare State <p>https://www.baltic-science.org/bari/</p>

FUNDING POSSIBILITIES / SWEDEN - GERMANY / March 2021

UHH funding

	Categories	Target group	Funding details
Hamburgglobal PhD	Mobility	UHH doctoral students	<ul style="list-style-type: none"> - cover the costs for travel, room, and board - max. two months
Flexible Funding	Mobility, Project (Research, Teaching), Event, Workshop	Doctoral students, postdocs, professors from UHH and LU	<ul style="list-style-type: none"> - generally up to EUR 5,000 - strengthen international cooperation through innovative ideas in teaching, learning or research
ERASMUS Exchange for Teaching Purposes	Mobility	UHH and LU teachers and early career researchers	<ul style="list-style-type: none"> - daily allowances: €140-180, travel allowances: €180-530 - 2-10 days
UHH Seed Money for Strategic Partnerships	Mobility	Researchers from UHH and eligible partner institutions	<ul style="list-style-type: none"> - travel, accommodation and living expenses
Next Generation Partnerships – Workshops and Conferences	Mobility, Project, Workshop	UHH and LU researchers and administrative staff	<ul style="list-style-type: none"> - up to EUR 12,000 for travel, accommodation and living expenses; pro rata for organizational costs, catering, etc.
Digital Teaching with International Partners	Project (Teaching)	Scientists and scholars from partner institutions	<ul style="list-style-type: none"> - EUR 500 for 90 minutes teaching
Innovative Teaching and Learning Formats	Project (Teaching)	Students (BA, MA, doctorate) from UHH and eligible partner universities	<ul style="list-style-type: none"> - up to €10,000 per project (travel, accommodation, organizational expenses, materials, local excursions, etc.)
Lund-Hamburg Funds	Project, Research	UHH and LU researchers and administrative staff	<ul style="list-style-type: none"> - up to €5,000 for UHH and SEK 50,000 for LU per project

DESY funding

Potential funding options to start research projects with Lund can be available.
